In the article, Jeff Rigsby, CBR's President & CEO weighs in on the challenges that community banking institutions face when aligning performance management and risk controls. He states, "It is not uncommon to have two separate groups focusing on these priorities". He describes how CBR's enterprise risk management (ERM) solution can identify, measure, monitor, and set controls for risk, institution-wide, while working to optimize bank performance.

Mr. Rigsby commented, "I am thrilled that CB Resource was selected by CFO Tech Outlook for this honor. We have worked hard to build a company, platform and suite of products that is uniquely serving community banks, their management team, and board. We are proud to be included on this list of innovative providers, working to improve the safety and soundness of their clients."
